

Ernie George
ETTA Licensed Coach Level UKCC 1

I live in Gorleston and I am married with 3 children. I have played in the local Great Yarmouth and Lowestoft table tennis leagues for the past 25 years winning numerous titles including Lowestoft men's champion 3 times and an unbeaten run of over 115 matches in Great Yarmouth.

I have coached in many schools in the East Norfolk Partnership covering the ages of those between 3 -16 years and at the East Norfolk Sixth Form College in Gorleston in the past 3 years and run an under 14 club in Great Yarmouth. I have worked with level 3 coaches and county players along with many local league players. I have also run specific summer course for those who want to learn more about the game and improve their playing.

I look forward to the opportunity of coaching and playing at Broadland Sports Club.
