

Josh Weeds

LTA Level 3 Coach (Performance)

Started assisting with Tennis Coaching at Cringleford Tennis Club at the age of 14. Since then have worked with a wide range of players from National standard to toddlers. Along the way I have gone through the new look LTA coaching pathway achieving Level 1,2 and most recently last February the Level 3 Coach (Performance) qualification.

I have worked at Easton College Tennis Centre including the transition period from when Lakenham was shut down. I have also worked at East Anglia Tennis and Squash Club and for Thorpe Tennis.

Alongside my coaching here at Broadland Sports Club I currently work at The Norfolk Health and Racquets Club - where the Norfolk Tennis Academy is based -, I am also kept busy working in a number of local Schools and at the Cringleford Tennis Club.

Over the last 3 years I have been Assistant Captain for our County Cup competitions for Boys aged 10 & under, 12 & under and this year (2010) I have been working with the 14 & under's.
