

Ann Nicholls

Level 3 LTA Registered Coach

I was introduced to tennis at the age of 11 through a six week starter course at Taverham Tennis Club. From the age of 14 I began to represent Norfolk and have continued to do so, playing in the 40's and over events.

I passed my level 3 Coaching Award at Southend in 2006 and continue to enjoy all my coaching. For the last 3 yrs I have been coaching at Acle Tennis Club working with a wide range of players and abilities, from mini-tennis starter's right through to Norfolk County standard. Whilst at the Acle Club I also gained a lot of experience in delivering tennis in the local primary schools.

I have been involved with assisting and captaining the under 10 & 12yr old Norfolk County girls teams - taking their coaching sessions and being able to travel with them to various tournaments.

Along side my coaching here at Broadland Sports Club I also run 2 mini red tennis sessions, for children 4 - 8yrs, at both Fleggburgh and South Walsham Village Halls.

During the last 4yrs I have had much success and lots of fun with all those I have coached and supported, at all levels, I look forward to working with the coaching team and developing tennis here at Broadland Sports Club.
